

Announcements from the Office of Curriculum and Instruction

Math and Language Arts Evening Workshops for K-5 Parents/Guardians

1st Workshop Title: Everyday Math Workshop for K-5 Parents and Guardians
Date/Time: November 28, 2017 (Tuesday) - 6:30 pm to 8:00 pm
Where: Central School Media Center
Presenters: Ms. Jackie Fox, Mathematics Consultant and
Dr. Kathleen Regan, Director of Curriculum and Instruction

2nd Workshop Title: Language Arts Literacy Workshop for K-5 Parents and Guardians
Date/Time: January 18, 2018 - 6:30 pm to 8:00 pm
Where: Central School Media Center
Presenters: Dr. Gravity Goldberg, Language Arts Literacy Consultant and
Dr. Kathleen Regan, Director of Curriculum and Instruction

The mathematics workshop will provide parents with information on accessing the EDM online math games/resources and strategies to help your child as a mathematician. The language arts literacy workshop will provide parents with an overview of the elementary literacy curriculum and strategies for supporting your child as a reader and writer.

To ensure ample seating, please RSVP by clicking on the following link. Please remember to click on the 'submit' button at the bottom of the reservation form <https://goo.gl/forms/1fJUfunSbX54Lteb2>.

In the event of inclement weather on either day, please check the Curriculum & Instruction website for cancellation information by clicking (Ctrl- left click) on this link for cancellation information: <http://curriculum--instruction.glenrocknj.org/>. Both workshops are geared specifically for parents and guardians; therefore, please note that children may not attend.

K-12 Parent Surveys for Curriculum Input

The Mathematics, Fine Visual and Performing Arts, and HS Social Studies 5 Year Review Committees are seeking parent input regarding these programs. The survey results will be reviewed by the committee and considered in the development and improvement of our programs and curriculum. Please click on the below links which pertain to the grade level/s of your child/children and complete the survey. As always, your input is valued, considered and appreciated.
