

TOTS TO TEENS

Learn Hindi for Children ~

NEW! **Grades K-1** **\$150 ***
 * Classes will continue through spring semester. Cost covers classes for both fall and spring semester ending second week of June '16.

These volunteer-managed courses attempt to promote Hindi at a grass-roots level among children in recognition of the importance of Hindi in both an economic and geographic perspective in the new millennium.

Main Objectives

- Introduce students to Hindi language
- Create interest in learning Hindi and immerse students in Hindi environment
- In this level, students are very young, so there is extra focus on oral, visual and musical criteria
- To teach numbers, colors, animals, body parts and everyday and household objects
- Learn Hindi names of different actions through games, and arts and crafts activities
- To teach small Hindi poems, songs and stories
- Celebrate at least 1 major Indian festival within the student group by holding dance performances, art and other activities as appropriate for this age group
- A graduation ceremony will be held at the conclusion of the course and students will be awarded a course completion certificate from HindiUSA (<http://www.hindiusa.info>)

Seating is limited; register early!

Class meets from 7 - 8 p.m.

Tuesdays, Sept. 22-Dec. 8

Glen Rock High School

Volleyball for Youth - Coed

Grades 5-8 **\$150**

This clinic is designed to teach the most recent techniques used in volleyball for individual skills development, which we link together through small sided games. Whether they are a first time or experienced player, our goal is for all players to improve their skills and have a great experience with the game of volleyball. Clinic Director Matt Kingsley (Glen Rock Girls Head Volleyball Coach) has over 20 years of high school and club coaching experience with boys and girls.

6:30-8 p.m.

Wednesdays, Sept. 30-Nov. 4

Glen Rock High School Gym

Boosting the Basics Writing

Workshop Grades 3-5 **\$99**

Boosting the Basics is a six week course that offers elementary students the opportunity to hone their writing skills in an after-school setting. Students will be taught to attend to the craft of writing that is to see how it is written rather than what it's about. We will examine examples good narrative writing and learn how to better incorporate the elements in our writing. In this course, emphasis is placed on the fundamentals of writing such as: sentence structure, paragraphing, figurative language, and grammar.

Carolyn Cooney

Class meets from 3:25-4:15 p.m.

**Mad Science Presents...
S.T.E.M.-tastic Science!**
\$105 for 6 weeks **Grades K-5**

In this all new Mad Science program, we explore the exciting and intriguing world of S.T.E.M. Explore **Science** with Chemistry and Biology, cooking up cool concoctions and capturing crawling critters! Journey on a Mission in **Technology** with robotic space activities and creating awesome contraptions with electricity and gears! Use your imagination while **Engineering** your own Inventions, and setting up simple and complex machines! Finally we will turn up the Volume on **Mathematics** and learn all about the importance of measuring with our Lab Tools! Don’t miss out on S.T.E.M. –tastic Science!

Class meets from 3:30-4:30 p.m.
Central School,
Tuesdays, Nov. 17, 24, Dec. 1, 8, 15 and 22

Keyboarding for Children
Grades 2-5 **\$59 for 6 weeks**

Now is the time to brush up on your keyboarding skills. This self-paced course will teach proper finger placement, memorization and navigation around the keyboard. Speed and accuracy will be measured in each lesson.

All classes meet 3:30-4 p.m.
Byrd School: Tues., Oct. 6, 13, 20, 27,
Nov. 3 & 10
Hamilton School: Tues. Nov. 17, 24,
Dec. 1, 8, 15 & 22

NEW! **Mad Science Presents...
Shockingly Sticky Science!**
\$105 for 6 weeks **Grades K-5**

In Shockingly Sticky Science, your child will learn Watts-Up with electricity and build their own static tubes, learn the marvels of magnets in Magnetic Magic as they construct their own Magnet Maze, and get sticky with polymers while we stretch it out with slime! We’ll explore the senses in Tantalizing Taste as we create our own soda pop. We’ll use our ears in Sonic Sounds and take home a very cool sonic horn! We’ll explore Optical Illusions and create a periscope. Just when they thought they’ve had all of the awesome science they can handle, it’s time for Lights...Color...ACTION!! as we create indoor fireworks and lighten things up with fantastic lights and color displays. In the grand finale to this amazing program the kids will learn all about heat and get to make their own cotton candy to eat!!

This program promises to be educational and entertaining, so don’t miss out!
Class meets from 3:30-4:30 p.m.
Coleman School,
Tuesdays, Oct. 6, 13, 20, 27, 3 & 10

Driver’s Education
Behind-the-Wheel Training **\$295**

Six hours of behind-the-wheel instruction for potential drivers 16 years of age and older. **Prerequisite: student must pass law knowledge and vision test.** Call 201-389-5011 for information and to register. Experienced and fully licensed drivers from **The First Time Driving School.**

NEW! **Improvisation Workshop** **\$99**

Lower your inhibitions on stage and be prepared for a class full of fun and laughter. Through various exercises gain confidence and trust in committing yourself to the experience. Using theatrical games students can learn the basics of improvisation. You are encouraged to use your imagination and with teamwork invent complete scenes and situations without the use of a prop, costume, or set. Our goal is to help to build self-confidence and lose inhibitions while on stage. Learn the fundamentals of acting in a fun and creative atmosphere.
