April 7, 2016

Dear Parents and Guardians,

Please mark your calendars for May 10, 2016 when the Glen Rock Public Schools will host a Department of Homeland Security presentation for parents and guardians of K-12 students on the topic of online safety. Special Agent David Fallon, Jr. will share important information aimed at assisting parents and guardians in understanding potential dangers of social media and to guide parents and guardians in the supervision and management of the social media lives of their 21st century students. On March 16, Special Agent Fallon gave a presentation on this subject to the members of the Glen Rock administrative team.

Please contact your child's school principal for further information should you have any questions about attending this worthwhile event. The program will be held in the MS/HS auditorium starting at 7:00 p.m. on May 10, 2016. I strongly encourage all parents and guardians to attend this informative program.

Sincerely,

Paula Valenti, Ed.D.
Superintendent of Schools
